

# Advent Season Prayer Partner Form

Welcome!

During Advent, we invite you to join us in an anonymous prayer partner exchange. How it works: Fill out the form and drop it in the basket. Grab a completed form from the basket (this will be your partner). Pray regularly for your partner.

What's on your heart this Advent season?

Are there specific challenges or needs in your life you'd like prayer for?

Is there a loved one or situation you'd like your prayer partner to lift up?

What's the one thing you hope to grow spiritually this Advent?  
(e.g. hope, peace, joy, love)

is there a scripture or hymn that has been meaningful to you lately?

What is something that brings you joy?

What is one word that describes how you are feeling this season?

**Please use the back if you need more space.**
